

Reaching Forward to Things Ahead

"...I press toward the goal for the prize of the upward call of God in Christ Jesus." - Phil. 3:14 - NKJV

First Day of School is August 13!

Polk County Christian School

"Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand." - Ephesians 6:17

Reaching forward for things ahead. What does God have ahead for us? We know that one day He will return for all His children and we will live forever in eternity with Him! Although we look forward to that day, we still have much to accomplish here on earth. PCCS is a discipleship school. This means that our students, faculty and staff will strive to become more like Christ every day. We will press forward to reach this goal with the intentional reading of God's Word in class, prayer and utilizing a curriculum that is based upon the Bible. This sets us apart from a public school education; we teach God's word.

Another goal that we can reach for is the prize God has in store at the finish line for PCCS. I believe that God has a great future for our school. We have a board with a vision for growth and does not desire for us to remain where we are. That vision includes new facilities, new opportunities for our students, and continuing to be salt and light in Polk County and the surrounding communities! Will you join with your board and staff to seek God for how the vision can unfold for our school?

"Lord, we ask that You shape and mold PCCS into the school that You desire so we can continue to help

parents train their children in the way they should go!"

What an honor and privilege to be able to talk about God and education together! Last week, I sent out a letter of needs via email. Please be in prayer to see where God would use you to fill needs or if you know of someone who could. I trust that you will take a few minutes to read about our new faculty members and help them feel as welcomed as I have felt into the PCCS family.

For His Cause,

Chris Causey
PCCS Administrator

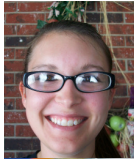

School Supply Drop-Off

Monday, 12:00-4:00pm - Grades 3-11

Tuesday, 8:00am-12:00pm - PreK-2nd Grade

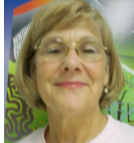

Tuesday, 6:45-7:30pm - All Grades

Welcome to the PCCS family. . .

New 2nd Grade Teacher, Amanda Minnick

"I am very excited that my first year of teaching will be at a Christian school. It is such a blessing that I will be able to speak openly about Christ in my classroom. I am so thrilled to be a part of the PCCS family! I know it's going to be a fantastic year!!"

New 4th Grade Teacher, Rebecca Leenerts

"God has blessed me with the opportunity to teach 4th grade. I am very excited to be working with the students and their families. There is no greater joy than being able to freely share Christ's love with others, and I look forward to a classroom setting where this is a daily occurrence."

New Middle School/High School Teacher, Jovette Archer

"Teaching at a Christian school is an opportunity to do two things that I am most passionate about: teaching and being a witness for Christ. To do both at the same time is a blessing and I count it a privilege to be at this school."
