“Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand.” - Ephesians 6:13

I hope everyone is having a good summer! My name is Chris Causey, new PCCS Administrator. I have a wonderful wife of 11 years, Sarah, and two children, Payton, age 7, and Alli, age 4. We are excited to be back in the Bolivar area and serving at Polk County Christian School. God is so good! We have been able to look back and see how God has prepared us for this time and place.

I would ask that you continue to be in prayer for our school. Please pray for me as I get set-

For the Cause of Christ...

...I am getting set-
tled into the new job and as we search to fill faculty openings. We currently are interviewing for second grade, HS/MS teacher, and looking for some of our special class teachers. We have leads in many of these areas and will be making final decisions very soon. Be in prayer for our current faculty as they prepare for a new school year.

I want you to know that we take very seriously the opportunity and privilege you have given us to help lay a solid foundation in the lives of your children. It seems to be more important now than ever to make sure that we not only provide our children with a good education, but a Godly education! We are excited to work with you in this venture as we begin to look at

the 2009-10 school year!

Please be mindful of the following work days that are scheduled to help make our school a great place for our children. The first work day is scheduled for this Friday, July 17 from 3-10pm. This is a come-and-go event and I look forward to meeting you! We have projects from filling holes to wiping down desks. The second scheduled work day is August 1 from 9am - 3pm. Your entire family is welcome!

Looking forward to serving with you this year!

In His Service,
Chris Causey
