Prayer Corner

Please be in prayer for....

... those traveling to the are math
Olympics on March 9th

...our annual auction on Saturday,
March 10th

...Mrs Shelenhamer and Mrs McVicker
as they lead the auction planning

...the students participating in the
various ACSI activities

...our teachers

...our students to grow academically
and spiritually. To have an increased
desire to follow God!

For coming to the last PTF meeting.

For having more volunteers for the auction
than in the past

To you for supporting the school by
sending your child to PCCS

To Tony Vernon and Roger Hendrickson
for helping hang the last couple of dry
erase boards

A Note from the Administrator.....

As the year has started back up again I pray that 2012 has started wonderful for you and your family. I continue to be so thankful for the love and support that is shown to me and my family from you the PCCS family. Thank you for the many Christmas cards and Christmas wishes over the Christmas season.

As we look forward to this new calendar year and forward to a new school year I want to say, "thank you".

Thank you for the many ways that you have supported PCCS. Most have a student here at the school, some have given faithfully of their money, some have given of your time, some have given of your God-given talents, some have prayed faithfully for the school and there are many more specific things you have done. From my position it is a great thing to see how you have worked together with each other to accomplish the overall tasks!

Thank you for choosing to send your child to PCCS. Many of you make sacrifices to have your child here because you believe it is important. We continue to strive to partner with you in growing your child in their relationship with Christ. I pray that you will see your child's knowledge increase and their ability to act on that knowledge daily.

Thank you to each of you that were involved in our Phon-A-Thon this year. We reached our goal of \$10,000! What a blessing!

For His Cause

Chris Causey

Polk County Christian School glorifies God through excellence as a Christ-centered educational environment that emphasizes servant leadership with a Biblical worldview.
