Enrollment Policies

The following enrollment policies have been developed by the Board of Polk County Christian School to facilitate orderliness and fairness.

1. All enrollment guidelines listed in the Student Handbook need to be met for any student enrolling in PCCS.
2. Students who are currently enrolled in PCCS have priority for enrollment for the next year.
3. Siblings of students currently enrolled in PCCS also have priority.
4. Students who express a desire to continue attending PCCS have priority over those who express interest in only 1 – 2 years.

There are two particular occasions where this is important:

- 1) Students who attend Kindergarten and also intend to attend higher grades have priority over those who desire to attend Kindergarten only.
- 2) Students who attend preschool and also intend to attend Kindergarten.

Polk County Christian School glorifies God through excellence as a Christ-centered educational environment that emphasizes servant leadership with a Biblical worldview.
